

Swiss Certified Tax Expert (80%-100%)

Zurich

About Andersen in Switzerland

Andersen Tax & Consulting Ltd is the Swiss Member Firm of Andersen Global, an international association of legally separate, independent member firms established in 2013. Andersen Global is present in over 256 locations with more than 7,000 professionals worldwide.

Andersen Tax & Consulting Ltd consists of a team of experienced professionals who offer comprehensive services in the field of tax advisory, corporate advisory and corporate law as well as human resource management and labor law. Our team of experts includes tax advisors, economists, accountants and legal advisors based in Zurich, Lugano and Geneva.

Andersen Tax & Consulting Ltd is looking for an ambitious, top performing professional to join the tax team.

What you can expect from us

- You advise clients (private persons and companies) on complex tax issues.
- You oversee multiple engagements for clients that range from individuals to multi-national corporations.
- You work with a strong international team from various locations all over the world.
- You work closely with and report to our Partners.
- You have the opportunity for professional development also through external trainings and advanced professional education.
- You are based in Zurich but ready to travel to other places depending on the team/client needs.
- We promote a healthy work-life balance and the possibility to work from home when convenient.

Your qualifications and experience

- Bachelor's or Master's degree in Business Administration, Law or a related field.
- Swiss certified tax expert (dipl. Steuerexperte / dipl. Steuerexpertin) or equivalent Swiss tax education.
- Minimum 6 years of relevant professional experience with Big-4 company, tax law firm or tax administration (taxation of individuals, taxation of corporations and/or transfer pricing).
- Reliable team player with experience in managing and developing a team.
- Entrepreneurial thinking and strong analytical skills.
- Excellent communication skills, both written and verbal, in German and English. French and/or Italian would be an advantage.

Apply now!
